CLARE VALLEY

## 2005 Riesling following in the footsteps of the 2004 *'Best Riesling in Australia'...*

This year at Stringy Brae of Sevenhill the grapes came off earlier than they ever have before, showing great characters with a late March picking and moreover giving us the opportunity to get the wine out there sooner than ever.

This is actually the 10<sup>th</sup> release from our Riesling block, and it's times like these that you can really see all the previous hard work out in the vineyard is paying off.

*'2005 Stringy Brae Riesling is showing all the signs of an outstanding Sevenhill Riesling, following in the footsteps of the 2004 sensation – a balanced citrus and floral aroma with a rewarding palate that leaves a fresh crisp finish. We have had an indulgent preview and enjoyed the wine with fresh oysters and scallops baked in the shell with crunchy polenta, parmesan and lemon zest.'*
