CLARE VALLEY

MEDIA RELEASE September 27, 2005

Following on from the start of something...

Here's our 2004 Red Blend

Last year we released our first ever blend the 2002 Cabernet Sauvignon Shiraz to much acclaim. It received the AQ Australia Trophy for Best Dry Red Wine at the 2004 Clare Valley Wine Show, Top 100 at the Sydney International Wine Show, chosen by Qantas to be served to their Business Class passengers and James Halliday rated it in his 'Best of the Best by Variety.'

The wine was a resounding success, and what started as a trial became sought after in the trade and consumer markets. We thought to ourselves 'perhaps we should have been doing this unique Clare Valley red blend sooner!' Our intention was to produce a good food wine that delivered depth and character on release along with some stand out characteristics. We achieved that with the 2002 vintage (the Top 100 is judged with food) and we reckon we've got there again.

The 2004 Cabernet Sauvignon Shiraz is a wonderful blend of Stringy Brae Cabernet Sauvignon, and Stringy Brae Shiraz, so typically cool climate Australian and with an influence of Malbec, adding a subtle, lingering, mulberry and soft tannin finish. Recommended retail price is \$17.99.

Feel free to drop me an email if you would like a sample, hannah@stringybrae.com.au or pop into Waldie's Shed - Cellar Door next time you are in the Clare Valley.

Regards,

Hannah Rantanen
