CLARE VALLEY

**MEDIA RELEASE March 21 2005**

## **2004 Stringy Brae Riesling *set to fly...* and the new 2002 Stringy Brae Cabernet Sauvignon Shiraz *goes along for the ride!***

Following on from the big win at the Hyatt National Riesling Challenge, Qantas, (who was major sponsor of the award) has requested to purchase the 2004 Stringy Brae Riesling to serve on their flights. Due to its accolades recognized by Qantas, the wine did not have to go through the normal selection process - **it was straight in!**

During the conversation confirming supply and delivery arrangements for our Riesling, we mentioned that we also had a great new red blend (the 2002 Stringy Brae Cabernet Sauvignon Shiraz) that too had recently received critical acclaim including the AQ Australia Trophy for Best Dry Red Wine at the 2004 Clare Valley Wine Show and a Blue Gold and Top 100 ranking at the 2005 Sydney International Wine Competition. They invited us to submit this to the official Qantas tasting panel and needless to say, the wine was chosen.

Qantas passengers will soon have the opportunity to enjoy the 2004 Stringy Brae Riesling to be served on Qantas International Business Class flights and the 2002 Stringy Brae Cabernet Sauvignon Shiraz to be served on Qantas Domestic Business Class flights.

This coming together of a great international airline and a small Clare Valley wine producer provides more than fantastic exposure for Stringy Brae *of Sevenhill*; it allows more people worldwide to experience the taste of Stringy Brae wines.
